Dear Ms Walden:

Congratulations on your outstanding semester of academic achievement in the Winter 2011 term. Attaining Honours standing demonstrates hard work and self-discipline. You should take pride in this accomplishment.

Exceptionally high grades typically reflect not only strong academic achievement, but also a high degree of practical knowledge and the ability to apply it within your field of specialization. It is this element that will be critical for your continued success after you graduate.

The faculty in the Tourism Management - Travel Industry Services program are proud of your accomplishments and wish you continued success in your future endeavours. You are a credit to yourself, the School of Hospitality, Recreation and Tourism and Humber.

Sincerely yours,
